

### REMARKS

The above listed claims along with the following remarks are fully responsive to the Notice of Non-Complaint Amendment (37 CFR 1.121) issued on February 22, 2007. Claims 2-4, 6, 8-10, 15-19, and 21 are pending. It is believed that the remarks below, in addition to the above listed claims, completely address the Examiner's concerns. If the Examiner has any further questions or concerns relating to the pending claims, the Examiner is encouraged to call the undersigned.

The Office Action states that claim 23 has improper status identifier. Applicant submits that in the previous Reply dated November 15, 2006, claim 23 inadvertently listed the text from claim 20. By this Reply, claim 23 is submitted herein in its original form and correctly listed.

In addition, in the previous Reply noted above, the status identifier for claim 16 was inadvertently listed as "Previously Presented" rather than "Currently Amended." The status identifier for claim 16 has been corrected to address this inadvertent error.

### CONCLUSION

The Applicant believes that all pending claims are now in condition for allowance. A notice to that effect is respectfully requested.

Respectfully Submitted,

FAEGRE & BENSON LLP
